DEPENDENTS

living overseas

973 450

# Who do you want to declare as a dependent?

**01 Spouse**

**02 Family members**

**03 Children**

To do so, check the following rules and conditions

# SPOUSE

Year income

¥1,500,000

.....

¥1,630,000

Younger than

65 years old

Older than

¥2,050,000

\*Pension income only.....

Necessary documents

Copies are fine!

Wedding certificate

Issued by your country  
in your language

Wedding certificate

Japanese translation

No documents?  
No dependents!

.....

Only in the year-end tax adjustment (Nenmatsu-chousei)  
you will need to send the money remittance slips copies  
in a bank account under the Spouse name

# FAMILY

Year Income  
**¥1,030,000**  
or less

.....  
Income

**¥1,080,000**  
or less

Younger than

**65 years old**

Older than

**¥1,580,000**  
or less

\*Pension income only

## Necessary documents

Copies are fine!

 Relationship certificate  
Issued by your country in your language, e.g. birth certificate

 Relationship certificate  
Japanese translation

**No documents?**  
**No dependents!**

.....

**Only in the year-end tax adjustment (Nenmatsu-chousei) you will need to send the money remittance slips copies in a bank account under the family member name**

# CHILDREN

You can declare children under **16 years old**

but there is no tax exemption

.....

The tax amount won't change.

The exemption was canceled by the government in 2011

.....

Children over **16 years old**

Same rules and documents as a regular family member

**We know the hardest part is taking the time to fill it.**

**Don't stop here  
Start now**

**If you fail to send it, before the end of the month, your taxes will be expensive.**

.....

**No documents?  
No dependents!**

.....

**If you don't have all the documents at hands to send, fill the form and send it without dependents, after you have the documents you can re-declare at any time.**
