

Change Of Contract For Child Care

If you are a parent of a 2-year-old child and need to adjust your working hours, you can apply for a change of contract.

How it works?

It is permitted to shorten your contracted working hours for childcare, but the shortened hours are **unpaid**. It is also permitted to take a day off for childcare, but the day off is also **unpaid**.

You can adjust your working hours by up to one hour for childcare.

Example:

9:00-18:00 → 8:00-17:00 or 9:00-17:00

Workers with children between the age of 1 year & 11 months up to age of 2 years & 11 months are eligible to apply.
